WILL OF S. C. ALLEN.

Estate of Over Two Millions is Distributed.

The will of the late Samuel C. Allen, providing for the division of an estate of over two and one quarter million dollars, was filed for probate today. The bulk of the estate, after numerous small bequests are made to charity, relatives and employees, is left to the widow. The adopted son Geo. C. Allen, now said to be in Seattle, is cut off without a dollar, and the testator makes no concealment of his reasons for disinheriting him.

The will is dated September 5, 1900, and is witnessed by George H. Robertson, E. A. R. Ross and William A. Kinney. The widow, Bathsheba M. Allen, petitions for the probate of the will, and asks that letters of administration be issued to herself. J. O. Carter, M. P. Robertson and Paul Muhlendorf, as named in the will.

The estate is said to consist of real estate on the Island of Oahu, and consisting chiefly of residence and business property in Honolulu, and valued at \$122,000, and "personal estate, consisting chiefly of sugar plantation stocks and bonds, railway stocks and bonds, and notes and mortgages, and valued at \$2,140,000."

The will, in referring to the legatees, provides always that they must survive the testator.

The petition for probate was presented to Judge De Bolt, in the absence of Judge Gear, and the court ordered publication of notice for probate of the will.

ALLIED TRADES.

Thirteen New Members Were Taken in Monday Night.

The meeting of the Federation of Allied Trades Monday night saw thirteen new members added to the rolls and a volume of important business transacted. Vice President Cameron was in the chair.

The matter of participating in the celebration of the Fourth of July was brought up by Jim Morris and a general discussion followed. The consensus of opinion was that the time is too short for the Federation to make extensive plans for the Fourth. The organization, however, will make an event of Labor Day. To carry out this plan a committee of eleven will be appointed to have full charge of Labor Day arrangements.

On motion of Mr. Bohnenberg, a committee of three was appointed to investigate all applicants for membership. This committee is made up of Messrs. Rollins, Bohnenberg and De Silva. John Wright and Nick Varina were appointed to fill vacancies on the labor committee. Dick Richardson was appointed to fill a vacancy on the membership committee.

Under the good of the Federation, an editorial on labor, clipped from the Advertiser was read by the Secretary upon request of a member. Jim Morris made a spirited speech in which he paid his respects to the morning paper of the Capital city. Mr. Bohnenberg also made a speech advocating perseverance and loyalty on the part of every member of the Federation.

Senator McCandless objected to \$16 increase in clothing for lepers, saying the allowance should be on the basis of light labor performed by the lepers. Kalauokalani said the present allowance was sufficient for children of lepers. Senator Brown moved an amendment that no money be issued in lieu of such rations.

Senator Achi wanted all the leper items consolidated at \$57,000 which was under discussion when a recess was taken.

Aden, May 19.—Reports have been received of movement by a joint British and Abyssinian force against the Somalis. The battle was a fierce one and 300 dervishes were left dead on the field.
